Join the believers. Please send evidence that Norse were in Ancient America

REASONS TO BUY *FROZEN TRAIL to MERICA*

1. Read a good historical fiction book.
2. Give to history teacher. Change history.
3. Flying Footnotes, A better way to read.
4. Accurate information. See Reviews.
5. Collector's item, CD is signed and dated.
6. Raise book sales ranking above 50,000.

CONTACT with ANCIENT AMERICA

Ida Jane Gallagher's book **should** be read!

Ida Jane Gallagher casts off right away. Her first words are, "**The Oceans were highways, not barriers ...**"

She sails through evidence of **Celts, Irish, Scots, North Africans, Hebrews, Greeks, Egyptians, Arabs, Basques, Cypriots, Iberians, Phoenicians, Indians, Norse, Scandinavians, and Romans**, who may have used the ocean highway to Ancient America.

[Interestingly, Ida Jane's indexer listed only the Basques in the index. I hope Ida Jane remedies that oversight in the next printing.]

Her concise, precise, and readable description of the multitude of evidence leaves a reader wondering, "What is all the hassle about? Of course, many people came to Ancient America in many boats from many places at many times! Why are the schools not teaching the concept? Why are they not using Ida Jane's book as a study guide?"

Contact with Ancient America is the first book, that I have read, that describes, and shows photos, of most of the evidence in the places where visitors to Ancient America may have stayed. The book concisely describes who came where and when.

With Ida Jane Gallagher's book guiding the convoy, most mental vessels will sail into similar secure harbors. But to get there, they must pull up anchor!

\$28.00 + 2.00 shipping. Make check payable to Ida Jane Gallagher, 858 Sovereign Terrace, Mt. Pleasant, SC 29464.

Ronnongwetowanca Giants

Hal Sherman sent me an email on July 16th, which said, "David Cusic, a Tuscorora by birth, wrote in 1825 that among the legends of the ancient people there was a powerful tribe called Ronnongwetowanca. They were giants, and had a "considerable habitation." He states that when the Great Spirit made the people, some of them became giants."

Hal asked me. "I am curious if the Ronnongwetowanca name appears anywhere in the Old Norse vocabulary?"

Two days later, I replied, "Verry Interesting.

"...I did not even get out of Reider Sherwin's vol. 1. All the page references are for vol. 1.

decent youth stay as friends**
p. 168..... p.138..... p.241

"I AM AMAZED!"

The name would be appropriate for a group of Norse "giants" moving into an area of smaller people. The perseverance of their true history and the Old Norse name is confirmed by this translation.

The {young} **Old Norse did come to America!**
